- **EAST** - Dare to be different, you do and that's why you're here. Introducing the new look, feel and taste of East Restaurant at The Spencer Hotel Dublin. East creates a whole new dining experience in Dublin's IFSC, offering lunch and dinner in the heart of Dublin. The restaurant, tucked away in a corner of the IFSC and recently refurbished still retains a loyal local following, with long-time regulars sitting harmoniously alongside the increasing number of international visitors. EAST Sous Chef Eric uses modernist techniques and artistry which come together to produce amazing results. He has developed a menu that combines old classics like Singapore Noodles or Nasi Goreng. The result, a heady hi-lo fusion that combines the thrill and taste sensation of simple dishes with the refinement of some of the greatest gourmet dishes.
